Brand Foundation

Purpose, promise, values and personality

BRAND IDEA

Colorful care.
Clear confidence.

NOVO CARE makes everyday self-care feel optimistic, simple and expressive. The brand combines trustworthy care with a joyful, modern visual energy.

PURPOSE

Make effective everyday care feel easy to choose, enjoyable to use and instantly recognizable.

BRAND PROMISE

A clear care solution with a bright personality - across hair, skin and future care categories.

PERSONALITY

- OPTIMISTIC
- FRIENDLY
- MODERN
- EXPRESSIVE
- CLEAR

Never clinical, childish, chaotic, luxury-cold or overly feminine.

Brand Architecture

How the master brand organizes categories and ranges

NOVO CARE

Master brand

NOVO HAIR

Hair care system

NOVO SKIN

Skin & body care

FUTURE CARE

Expandable category

Rule: NOVO CARE owns the core identity. Categories add color and product-specific language - never a separate visual universe.

Logo System

Primary artwork, hierarchy and essential rules

PRIMARY MASTER LOGO

LIGHT-FIELD MASTER ARTWORK

CORE RULES

- Preserve the supplied master artwork proportions.
- Never redraw individual letters independently.
- Keep generous clear space around the logo.
- Use the O icon only when the full brand name is already understood in context.

Logo Clear Space & Size

Protection zones for consistent recognition

CLEAR SPACE = at least the inner counter diameter of the O.

MINIMUM SIZE

Digital	120 px wide
Print	30 mm wide

ICON

28 px digital
10 mm print

The NOVO “O” Icon

The hero recognition device of the brand

THE NOVO O

The most ownable shorthand in the identity.

USE AS

- Social avatar
- Favicon / app icon
- Sticker and seal
- Pattern building block
- Watermark / crop
- Motion transition
- Retail navigation marker

O Icon Construction

Geometry, spacing and integrity

CONSTRUCTION PRINCIPLE

Circular geometry keeps the icon friendly and stable.

The three colored accents create recognition and energy.

The center counter must always remain visually open.

Do not add extra colors or decorative pieces to the core icon.

CLEAR SPACE

Minimum clear space around the icon = $\frac{1}{2}$ of the outer radius.

O Icon Do / Don't

Keep the brand shorthand simple and ownable

DO

Keep upright

DON'T

Rotate

DON'T

Stretch

DON'T

Random recolor

Primary Color System

Core colors derived from the master identity

NOVO NAVY

#164D86

Trust / anchor

CYAN

#18B7E9

Freshness

TEAL

#12B8A6

Care / balance

ORANGE

#F6A623

Energy

PINK

#E91E63

Expression

NOVO Navy is the constant. Accent colors should support hierarchy, not compete for attention.

Category & Range Colors

A scalable color logic for a colorful portfolio

RULE

Range colors identify product families. They never replace NOVO Navy as the master brand anchor.

Color Ratios

How to keep colorful communication premium and controlled

Campaigns may shift the accent color by product range, but the visual hierarchy should remain consistent.

Typography System

Friendly geometry for headlines, high clarity for information

DISPLAY / HEADLINES

Sora Font

ExtraBold / Bold / SemiBold

BRIGHT CARE
MADE SIMPLE.

BODY / UI

Inter

Regular / Medium / SemiBold

Use for product information, benefits,
web interfaces, captions and longer copy.
Prioritize clarity and generous spacing.

Arabic Typography

A bilingual system that feels like one brand

ARABIC COMPANION

Arial Font

نوفو كير

عناية يومية بألوان أكثر إشراقاً

Recommended family: IBM Plex Sans Arabic or Noto Sans Arabic.

Use matching visual weight rather than forcing identical Latin/Arabic letterforms.

Arabic copy should remain direct, friendly and easy to scan.

Type Hierarchy

A repeatable information structure across touchpoints

EYEBROW / 16-18 / BOLD / TRACKED

Headline that feels bright.

Supporting message explains the benefit in one clear sentence.

Body copy

Keep body copy concise, useful and conversational. Avoid dense blocks in consumer-facing layouts.

SHOP NOW

Graphic Language

Build from the geometry already inside NOVO

Pattern System

Three pattern families for packaging, social and retail

Photography Direction

The brand should look real, bright and contemporary

PHOTOGRAPHY PRINCIPLES

Bold • colorful • playful • wide-angle perspectives • direct flash • expressive models • dynamic product interaction • unexpected crops • controlled chaos

Product Photography System

A consistent visual standard from e-commerce to campaign

E-COMMERCE

CAMPAIGN HERO

TEXTURE / DETAIL

FAMILY SHOT

Keep packaging shape, labels and product colors accurate. Experiment with scale, perspective and camera angles — without altering the product itself.

Composition Principles

Airy, intentional and easy to scan

DO: create clear zones for product and message.

DON'T: overcrowd every layout with the full portfolio.

Social Media System

Three repeatable content modes: campaign, education and offer

CAMPAIGN

EDUCATIONAL

OFFER

Packaging Architecture

A hierarchy that can scale with future products

PACKAGING HIERARCHY

- 01 NOVO master brand
- 02 Range name / benefit
- 03 Product type
- 04 Key formula / claims
- 05 Functional icons / size

Future packaging should preserve this reading order even when colors and formats change.

Iconography

Functional symbols that belong to the same visual family

STYLE

Rounded geometry • 2 px equivalent stroke • simple silhouettes • no detailed illustrations

HYDRATE

SHINE

PROTECT

VOLUME

CLEAN

Icons should feel related to the O: circular, friendly and geometric.

Tone of Voice

A verbal identity as clear and colorful as the visual one

WE SOUND

Clear, not technical.

Friendly, not childish.

Confident, not exaggerated.

Bright, not noisy.

Helpful, not preachy.

COPY FORMULA

BENEFIT FIRST.

Then explain why.

Finish with one simple action.

Example:

More shine. Less fuss.

Your curl routine, made easier.

Copy Examples

How the voice flexes without losing personality

PRODUCT

**Curls, meet
your shine era.**

Care that defines without
weighing your hair down.

EDUCATIONAL

**Volume starts
with the routine.**

Simple steps. Clear benefits.

OFFER

**More care.
Better value.**

Keep discount language direct.

Advertising System

A simple hierarchy for digital, print and outdoor

BRIGHT CARE.
MADE FOR REAL ROUTINES.

DISCOVER

Use one dominant message,
one product story, one CTA.

Digital Identity

Website, UI and platform behavior

UI RULES

Navy = primary actions

White = main surfaces

Accent = states / category

Rounded corners

Generous spacing

Simple iconography

Motion Identity

How the O becomes a transition and reveal device

MOTION PRINCIPLE

Build reveals from the O: expand • crop • orbit • snap into place.

Motion should feel smooth, optimistic and precise - never chaotic or overly bouncy.
